

STEAMER WHARF TO BE ERECTED

To Be Used Jointly By Anheuser-Busch and Seaboard Transportation Company.

WOMEN RUN OPIUM JOINT

Given Fifteen Days to Leave Forever—Jury Failed to Agree.

(Special to The Times-Dispatch.)
NORFOLK, VA., Jan. 3.—The Anheuser-Busch Brewing Association, through Nimmo Old, its resident manager, has awarded the contract for the new wharf that will be constructed on its City Hall Avenue water-front, and which will be used jointly by the Seaboard Transportation Company as a terminal for its steamers plying between Norfolk and Washington. The new wharf will be built by Anheuser-Busch for their own use, but arrangements have been perfected by the new Norfolk-Washington steamer line, giving the latter the privilege of using it. The Seaboard Transportation Company already has established an office in Washington, and representatives are here for the purpose of perfecting preliminaries to begin active operations.

Police Justice Simmons, after investigating today the charge against Ruby Ford and May Ball, charged with maintaining an opium and morphine joint, gave the defendants fifteen days in which to shake the dust of Norfolk, and both women were paroled to make preparations for their departure. They are to report the day the next to leave the city, and the understanding is that they are not to return.

Harry Halcott, the husband of the Ford woman, was first convicted of vagrancy and placed under a bond of \$500 for six months, but later the court gave him a chance to leave Norfolk, and paroled with the others. Arthur Ball, the husband of the other woman, who failed to appear, was placed under a bond of \$250 for six months. His arrest was ordered.

W. S. Buchanan, of Travillian, Va., who, when arrested here upon the charge of obtaining goods under false pretenses from a Philadelphia firm, was found to have letters of recommendation from United States Senator Overman, of North Carolina, and several Representatives in Congress from Kentucky, West Virginia and New York, was placed on trial to-day.

Commonwealth's Attorney Tilton asked for a verdict of from one to ten years in the penitentiary. Attorney Daniel Coleman, Jr., for the defense, claimed that neither a case of petit nor grand larceny had been made out, and asked for acquittal. The jury, after a long consideration, failed to agree, and took a recess.

Buchanan was later found guilty of embezzlement and sentenced to jail for fifteen days and to pay \$100. He accepted the samples and employment of a clothing house in Philadelphia and paid the samples and used the money for a drunken spree. He was arrested for the embezzlement of \$38, but most of the goods were found in pawn.

He belongs to a good family, but he has been allowed to stay in jail here without assistance.

RYAN OPPOSED.

Believes State Appropriations to Roads Will Lead to Bankruptcy.

(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., January 2.—John F. Ryan, of Loudoun, ex-speaker of the House of Delegates, in a letter to the Free Lance in advocating his bill for the reduction of taxes, which will come before the next Legislature, warns the Legislature against making State appropriations for public roads. In conclusion, he says: "If the Legislature departs from what has heretofore been the policy of this State and appropriates money for the public roads, I believe that it will eventually lead to bankruptcy."

The Anti-Saloon League, of Talmouth, at a large meeting, which was addressed by Rev. E. J. Richardson, office Secretary of the State Anti-Saloon League, elected Messrs. Peter Hewitt, J. A. Wines, W. E. Brooks, C. J. Charters and F. K. Tyler as delegates to the State convention to be held in Petersburg.

HAD NOT WALKED FOR 11 MONTHS

Terrible Sore on Ankle Caused Awful Suffering—Could Not Sleep nor Rest—Physician Said Leg Would Have to Be Amputated.

CURED BY CUTICURA IN SIX WEEKS

"I had a terrible sore on my ankle and had not walked for eleven months. I tried nearly everything, without any benefit and had a doctor, but he didn't seem to do any good. He said I would have to have my leg taken off, and that I would never walk again. I suffered awful, and at night I could not sleep at all. I thought there was no rest for me, but as soon as I began to use Cuticura Soap and Ointment it commenced healing nicely. I bathed the ankle with warm water and Cuticura Soap and then applied Cuticura Ointment to the affected part, and laid a cloth over the sore to hold it in place. After two weeks I could walk around in my room real good, and in six weeks' time my ankle was entirely cured and I was walking around out of doors. I am enjoying perfect health and have gone to work and feel as well as I ever did in my life. So I know that the Cuticura Remedies are the best in the world."

"Cuticura was recommended to me by a lady who had used it when her baby's head was so full of sores he could not lie down. She had to set him up in her arms to sleep. (Signed) Mrs. Mary Dickerson, Louisa, C.H. Va., April 22, 1905."

folk decided last night to remove Magistrate J. B. Bick, formerly of Petersburg, from office, and by a vote of 11 to 9 it decided to exonerate Magistrate J. J. Kelly, both having been recommended for removal by a special committee, which investigated charges against them. After the exoneration of Kelly Councilman Bull moved a reconsideration of the removal of Bick, and the motion to reconsider was adopted. The vote was then taken on a proposition to exonerate Bick, and it resulted in a tie. Whether this tie vote leaves Bick exonerated is a question in the minds of some councilmen.

New Year Entertainment.

(Special to The Times-Dispatch.)
CARTERSVILLE, VA., January 3.—One of the most delightful entertainments of the holiday season was given New Year's night at the hospitable home of Judge John O. Reynolds, in Cartersville. There were about twenty-five guests and as each arrived a slip of paper was handed on which to write a New Year's resolution. These were read later and were very amusing.

An "Observation Party" was another feature of the evening. Miss Meland Irving and Mr. John L. Robinson being the couple who remembered the greatest number of articles on the "observation table."

Mrs. S. L. Kle won the "booby" prize. They were presented by Mr. Frank R. Reynolds, of Richmond, in very happy and appropriate remarks. After refreshments were served, the crowd divided for the acting and guessing of words in characters.

This proved so delightful it was kept up until midnight, when the evening closed with the words "New Year."

Mrs. John Irving entertained at her home "Cherry Hill" near Cartersville, on Friday evening in honor of her daughter, Miss Meland Irving, of Blackstone Institute. Dancing was the principal feature of the evening.

WIFE STABBED HUSBAND TO DEATH

Claims Self-defense and There Was No Witness to the Tragedy.

DEAD ON NEIGHBOR'S PORCH

British-American Tobacco Company Preparing to Build a Storage Warehouse.

(Special to The Times-Dispatch.)
PETERSBURG, VA., January 3.—Perry Holmes (colored) was stabbed to death by his wife with a butcher knife at their home near Jarratt's Depot, in Sussex county, Monday. The couple had been married only two months, and the cause of the tragedy is unknown, but the woman, who is under arrest, claims self-defense. Her husband and herself were the only two persons in the house at the time of the killing, and the wounded man, after a desperate effort to reach a neighbor's house, fell dead on the latter porch. A post-mortem was held yesterday. Holmes was about sixty years old, and bore an excellent reputation in that community, where he had lived for a number of years.

His wife, whose name was Susan Massenburg, is forty years old, and a woman of tremendous physical strength, with which she must have wielded the knife in awful style on her husband's throat.

STORAGE WAREHOUSE.
The British-American Tobacco Company, which operates the big Dunlop export factory in the city, has an option on the site of the old Smith soap factory on Lawrence Street, in which locality it is preparing to build a storage warehouse, with a capacity for nearly five thousand hogheads.

The Virginia Passenger and Power Company's bill for city electric light was ordered to be paid under protest by the Council last evening on motion of Mr. George Cameron, Jr., chairman of the Finance Committee. For the past two months the payment of these bills has been strongly opposed in the Council on the ground that the company was not fulfilling its contract in the quantity and quality of light furnished. The Council at first refused to pay the bills, in which action the Board of Aldermen refused to concur, and it is understood that the matter is to be taken into court with a view to obtaining an order for the improvement of the electric lighting system.

The December reports of the city's treasurer and auditor show the monthly receipts to have been \$76,121.72; disbursements, \$28,199.02.

IN SERIOUS STATE.
Solon V. Baugh, who was shot by Frank Mitchell in a difficulty at Stony Creek last Saturday night, is still in a very serious condition with a bad wound near the right breast. The trouble between the men, who are both merchants at Stony Creek, resulted from mutual dislike of long standing.

The report of the city health officer, Dr. B. A. Martin, for December, shows a total of 29 deaths—whites 15; colored, 14; a mortality rate for the whole population of 12.89, which is much smaller than in December, 1904.

EAGLE OFFICERS.
The Petersburg Aerie of Eagles last evening installed the following officers: President, J. W. Wells; worthy Vice-President, C. R. Walsh; worthy Conductor, C. L. Morris; worthy Chaplain, James Wesson; worthy Secretary, J. B. Tallaferro; worthy Treasurer, J. T. Brown; inside Guard, V. L. Weddell; outside Guard, W. H. Gamble; Trustee, James Brockwell; A. D. Harding and J. T. Powers.

DEEP INTEREST IN THE RUFFEN CASE

Page County Court-house Crowded to See the Trial.

(Special to The Times-Dispatch.)
LURAY, VA., Jan. 3.—The trial of Lester Ruffen, who on November 26th shot and killed his uncle, Isaac Ruffen, in this county, began in the Circuit Court of Page to-day, Judge T. W. Harrison, of Winchester, presiding. An immense crowd is in attendance, and the courtroom is at a premium in the courthouse. The prisoner has changed but little by his confinement in jail. His wife and a sister occupy seats near Ruffen. The prisoner's grandfather, Philip Ruffen, aged about 75 years, is in constant attendance, and the two are frequently in conversation.

The first witness examined was a young man by the name of Keller. He outlined in detail all the important features of the tragedy. Keller was one of four eye-witnesses of the shooting. Little trouble was experienced in selecting the jury, which is principally from the eastern end of the county. Night sessions are being held, and rapid progress is being made with the case.

On account of this, many of the witnesses are kept in Luray to-night. Great interest is being taken in the case, many of those attending having driven ten miles through a drenching rain.

DIAMOND ROBBERY.

Ex-Policeman Arraigned and Shows Great Unconcern.

(Special to The Times-Dispatch.)
CLIFTON FORGE, VA., January 3.—For the alleged theft of a number of diamonds valued at several thousand dollars and six hundred dollars in currency, ex-Policeman McGuffin was arraigned in the Circuit Court at Clifton today, but the case was postponed until next Monday on account of the absence of one witness.

The case in which McGuffin is charged with taking a lot of ladies' wearing apparel, the property of Mrs. A. P. Burghwin, of Pittsburgh, was continued until February 6th.

McGuffin was the most unconcerned man in the court room.

Judge Anderson has fixed the bail bond at five thousand dollars, but it is not likely that the accused can give bail.

DIRECT CONNECTION WITH BALTIMORE

Southwest Virginia Will Be Provided With a Short Railway Line.

(By Associated Press.)
BALTIMORE, MD., Jan. 3.—A special dispatch to the American from Roanoke, Va., says that Baltimore is to have direct railroad connection with Roanoke and the rich southwest section of Virginia by the building of seventy-five miles of road by the Baltimore and Ohio Railroad through Shenandoah and Rockingham counties, paralleling the Southern Railway between Strasburg and Harrisonburg.

At Harrisonburg the Baltimore and Ohio will use its own tracks, which run now from Harrisonburg to Lexington, a distance of sixty miles.

At Lexington the Baltimore and Ohio will lay rails on a road already graded from Norfolk to the West Virginia coal fields, will be tapped at Roanoke, as will also the Norfolk and Western, which drains Southwest Virginia. Southern West Virginia, upper North Carolina, East Tennessee and East Kentucky.

A new road, now ready to begin grading from Winston, N. C., to Charleston, S. C., will be reached through Norfolk and Western connections.

The carrying out of these projects will mean the realization of plans laid 25 years ago by the late Robert Garrett, president of the Baltimore and Ohio Railroad.

JACK O'BRIEN DENIES WILL MEET RUHLIN

Has Ten Weeks' Theatrical Contract, and Won't Sign Fighting Agreement.

(Special to The Times-Dispatch.)
BOSTON, MASS., January 3.—"There is no truth in the report that I have signed to meet Gus Ruhlman at the New Tuxedo Club, March 1st," said Jack O'Brien, when seen at the Hotel Touroine to-day. "When I was in Philadelphia last Sunday, I was asked if I was willing to meet Ruhlman. My reply was that I didn't care whom I met, but I wouldn't sign any agreement with him. This was the only remark I made in regard to meeting the Akron Giant. I did not communicate yesterday or at any other time for a match with Gus Ruhlman. I don't see what reason or what authority any one has to sign me up."

I will meet every fighter in the due course of events. I have signed a contract to appear for ten weeks on the theatrical tour with John Jerome, of Philadelphia. If Mr. Jerome cares to have me fight with Gus Ruhlman, before the end of that time I am perfectly willing."

BARKING UP WRONG TREE SAYS HEARN

To a Pennsylvania Woman Who is Looking for a Husband of Same Name.

HAS REFORMED IN MARRYING

He Declares He Has Been Mean in His Time, But Will Now Lead a Better Life.

(Special to The Times-Dispatch.)
WEST POINT, January 3.—In The Times-Dispatch, date December 26th, there was an account of the marriage on Christmas night of Ebenezer Hearn to Miss Elizabeth Austin, of West Point, Rev. C. V. Wauchope, D. D., officiating. The groom, who had served nearly two years in the penitentiary, was released December 23d on conditional pardon, for good behavior. Miss Austin, the bride, a quiet, unobtrusive woman, went about her work, living her sorrow alone. She met Mr. Hearn on the evening of the 23d of December, when he arrived from Richmond at the train, and, as mentioned before, they were married. Mr. Thomas H. Edwards, attorney-at-law, and Mr. Topping, of the West Point Bank, being among the witnesses. Mr. Hearn's lawful wife died last February.

All romances have a sequel, whether written or not. To-day Dr. Waugh received the following letter from South Fork, Pa.: "Dear Sir,—In looking over the North American I seen where you had performed a marriage between a Mr. Hearn and Miss Austin. Would you be so kind as to let me know if the Mr. Hearn of that ceremony was a man of about five foot ten inches high or a little more; had light red hair and brown eyes and was very broad shouldered? I married a man by that name in Philadelphia on January 15, 1904, and in September of the same year he deserted me. Mr. Hearn claimed Atlanta, Ga., as his home."

Mr. Hearn, who is now working in the lumber mill of Mr. R. E. Richardson, in this town, was interviewed at once. A pair of eyes looked steadily at the reporter instead of eyes of brown, and gray locks that were once dark brown, clustered about his brow and temples.

When the letter was read to him he said: "I was reared in Maryland; came to West Point, Pa., February, 1904. I married Miss Elizabeth Austin, April 22, 1904. I was arrested for bigamy May 19th following. I was sentenced to the State prison June 8th. My first wife, Sarah C. Hearn, died at Salisbury, Md., February 27, 1905. I am five feet eight inches in my boots, fifty-two years old; am not broad shouldered. I have been mean in my life and have paid for it, and am determined to live a better life. Tell that Pennsylvania woman she is barking up the wrong tree."

HOLD UP LADIES IN STREETS OF DANVILLE

(Special to The Times-Dispatch.)
DANVILLE, VA., Jan. 3.—A daring attempt was made here last night by two highwaymen to rob Mrs. S. M. Smith, a respected widow lady. Mrs. Smith was going home when she was accosted by a spot by a white man who said, "Don't be frightened; all I want is your money." The white man was later joined by a negro, who evidently had been in hiding. The plans of the robbers, was frustrated by the appearance of a citizen on the scene.

Later in the night Mrs. Smith, who was in company with two other ladies, were followed for several blocks by the same men, and the ladies, becoming frightened, took flight.

A white man and a negro answering the description of those who molested Mrs. Smith were being operated quite extensively throughout his section, and have made several persons surrender their coin at the point of a pistol.

Forest Jones, desperate negro, who was shot at and wounded by Officer Hatcher while attempting to rob a saloon early yesterday morning, was arrested to-day. Jones was shot in his arm. It is thought that the other robber, who is still at large, also sustained wounds, as the policeman fired six times.

Va., where they intended to be married. The girl's father followed and brought them back to Winchester and they were married here with parental consent later in the day. They had been sweethearts since childhood. Milburn will return to his studies at Massey's College in Richmond, and after graduating will take his bride to the Virginia capital.

How to Exercise the Bowels

Your Intestines are lined inside with millions of little suckers, that draw the Nutrition out of food as it passes them. But, if the food passes too slowly, it decays before it gets through. Then the little suckers draw Poison from it instead of Nutrition.

This Poison makes a Gas that injures your system more than the food should have nourished it.

You see, the food is Nourishment or Poison, just according to how long it stays in transit.

MY CASCARET POCKET

MY WATCH POCKET

Cascarets are as safe to use constantly as they are pleasant to take.

The usual remedy for this delayed passage (called Constipation) is to take a big dose of Castor Oil.

This merely makes slippery the passage for unloading the current cargo.

It does not help the Cause of delay a trifle.

It does slacken the Bowel-Muscles more than ever, and thus weakens them for their next task.

Another remedy is to take a strong Cathartic, like Salts, Calomel, Jalap, Phosphate of Sodium, Aperient Water, or any of these mixed.

What does the Cathartic do? It merely flushes-out the Bowels with a waste of Digestive Juice, set flowing into the Intestines through the tiny suckers.

But, the Digestive Juice we waste in doing this today is needed for tomorrow's natural Digestion. We cannot afford to lose it.

That's why Cascarets are the only safe medicine for the bowels.
